MEMORANDUM FOR PLANNING COMMUNITY OF PRACTICE

SUBJECT: Economic Guidance Memorandum, 25-02, Cost Sharing for Territories and Tribal Nations

1. Section 135 of the Water Resources Development Act (WRDA) of 2020 requires an annual update to the waiver amount specified by Section 1156 of the WRDA 1986 to account for inflation. The value is adjusted to the current fiscal year value using the U.S. Army Corps of Engineers Civil Works Construction Cost Index System (CWCCIS). CWCCIS is contained in Engineer Manual (EM) 1110-2-1304. The Composite Index (Weighted Average) value for the 4th Quarter of the ending fiscal year (4th Quarter Fiscal Year 2024 for the Fiscal Year 2025 calculation) is used to adjust to current.

2. The fiscal year 2025 WRDA 1986 Section 1156, as amended, (33 U.S.C. §2310) cost share waiver amount is \$658,000. Questions related to this memorandum should be addressed to Mr. Jason Norris, CECW-PC, at Jason.M.Norris@usace.army.mil or by telephone at (202) 669-1847.
