MEMORANDUM FOR COMMANDER, Mississippi Valley Division (CEMVD-PD)

SUBJECT: Implementation Guidance for Section 3106 of the Water Resources Development Act of 2007 – L-15 LEVEE, MISSOURI

1. Section 3106 of the Water Resources Development Act of 2007 directs that the portion of the L-15 levee system that is under the jurisdiction of the Consolidated North County Levee District and situated along the right descending bank of the Mississippi River from the confluence of that river with the Missouri River and running upstream approximately 14 miles shall be considered to be a Federal levee for purposes of cost sharing under section 5 of the Act of August 18, 1941 (33 U.S.C. 701n, commonly referred to as Public Law (PL) 84-99). A copy of Section 3106 is enclosed.
2. The portion of the L-15 levee system described in section 3106 remains a non-Federal levee, with eligibility for participation in the PL 84-99 Rehabilitation and Inspection Program subject to the requirements applicable to non-Federal levees. In the event that PL 84-99 rehabilitation assistance is provided, the cost of such assistance will be shared as if this portion of the L-15 levee system were a Federally authorized levee.

FOR THE COMMANDER:

A handwritten signature in black ink, appearing to read "S. L. Stockton".

STEVEN L. STOCKTON, P.E.
Director of Civil Works
