AGENCY TECHNICAL REVIEW DOCUMENT TEMPLATES

Agency Technical Review Work Plan

[Date of Work Plan]

For Review of:

[Title of Study]

[Title of Principal Product(s) to be
Reviewed]

[Date of Product(s)]

[Home District]

Review Management Organization:

[RMO Office Title]

ATR Work Plan Template, Version 2.0 (01 October 2017)

How to use this template: Black text is standard text that should be applicable to most work plans. It may be modified to meet the needs of a specific review, subject to concurrence by the RMO. Bracketed [blue text] indicates where review specific information should be entered and generally what type of information should be entered. Upon completion of an ATR Work Plan, all blue text (and this text box) should be deleted from the work plan and replaced, as applicable, with review specific text and information.

For best use of this template, refer to the ATR Template Documents Primer

[RMO Office Title]

ATR Summary Report Template, Version 2.0 (Aug 2017)

How to use this template: Black text should not be modified without coordination with the RMO; it is standard report text that should be applicable to most review reports. Bracketed [blue text] indicates where review specific information should be entered and generally includes an explanation of what information should be entered. Upon completion of an ATR Summary Report, all blue text (and this text box) shall be deleted from the report and replaced, as applicable, with review specific text.

To best use this template, refer to the **ATR Template Documents Primer**

US Army Corps
of Engineers

The Summary Report is the final step and product of an agency technical review.

COMPLETION OF AGENCY TECHNICAL REVIEW

Completion of ATR is recognized with a completion statement and certification

COMPLETION STATEMENT OF TECHNICAL REVIEW

**Completion
Statement of
Technical
Review**

The Completion Statement of Technical Review is accompanied by the Summary Report that presents a summation of the review and identified critical issues. The Statement represents the agreement of a satisfactory completion of the ATR effort by the RMO, ATR Lead, and PDT Lead.

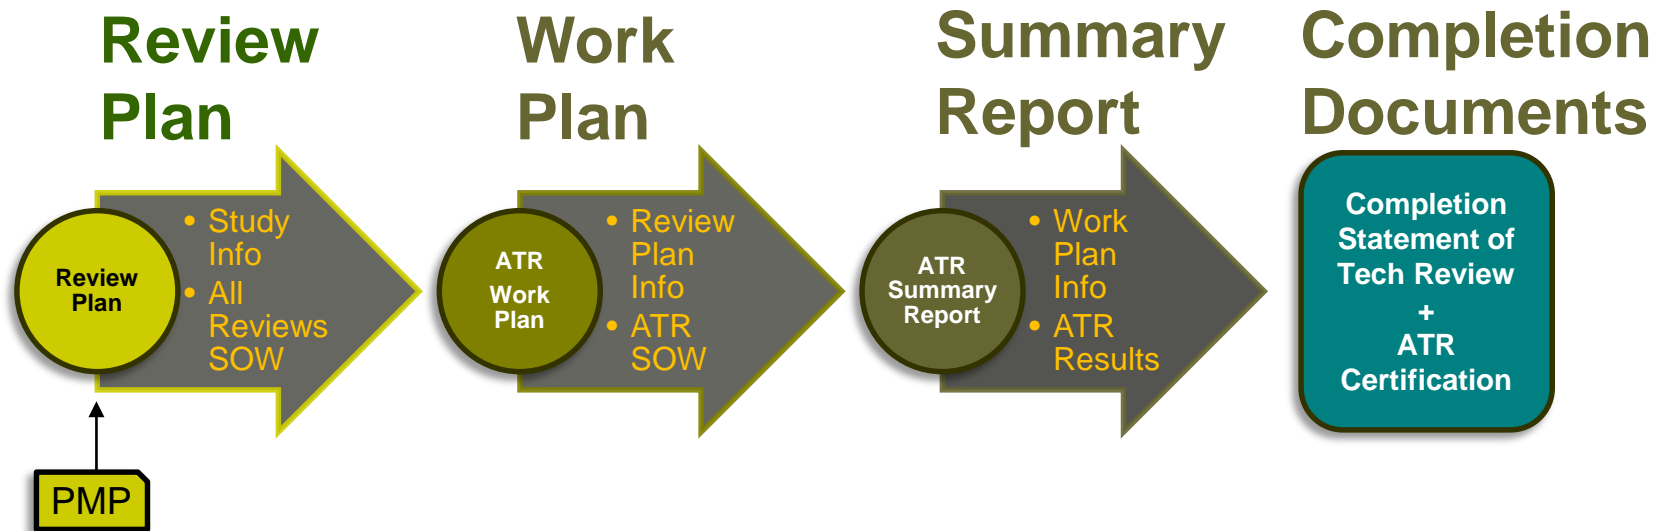

AGENCY TECHNICAL REVIEW CERTIFICATION

The Certification of Agency Technical Review along with a Completion Statement of Technical Review is required for all “Draft” products that are forwarded to the Vertical Team/HQ for policy review, and is required for all “Final” products.

ATR Leads

US Army Corps
of Engineers.

Inter-Active Survey

Do You Have ATR Lead Experience?

Yes

Not
Yet

US Army Corps
of Engineers.

*“What we really need in an ATR Lead
is someone who has super powers...”*

ATR Lead

What Makes an ATR Lead?
What Are Some of Their Responsibilities?

ATR Lead

Optimal Qualifications

- Ideally, but not necessarily, is a NTS, RTS, and/or WRCP
- Known entity to the RMO as a lead from other reviews or has performed well on a review team
- ATR Certified with one or more CoP(s) & Mission Areas
- Experienced in performing review on other related studies
- Experienced as being part of a study team and/or lead for a similar study
- Able to work with virtual teams and process
- General understanding of other study disciplines responsibilities & contributions to the decision document process
- Excellent communication, organizational & leadership skills
- Plugged into relevant and latest guidance and policy discussions & updates
- Sturdy & Resilient
- Proactively available and interested
- Super powers as available

ATR Lead

Some General Responsibilities

- Is a representative of the RMO, but also considered part of the PDT
- Responsible for the ATR process and quality control
- A life cycle review commitment is desired for continuity on complex studies
- ATR Team identification, recruiting, and coordination
- Work Plan coordination & development
- Charge questions development & coordination
- Continuous communication and tracking during review
- DrChecks monitoring
- DQC review assessment and coordination w/ ATR Team
- ATR comments review & screening
- Assist in comment resolution & elevation as needed
- Summary Report coordination & development
- Coordinates the Statement of Completion
- ATR representation and report out at study milestones as required

Interested in Becoming an ATR Lead?

The RMO's are always looking to add to the ATR Lead Cadre!
