WORKSHOP OVERVIEW

WHERE: Kansas City District Office

Richard Bolling Federal Building
601 E. 12th Street
Kansas City, MO 64106

WHEN: Tuesday 11/5 – Thursday 11/7

WHO: District and MSC Planning functions directly involved in the execution of the Civil Works Planning Program and those who are committed to bring knowledge and tools back to share with their home offices.

WORKSHOP OBJECTIVES

- **Understand applications of risk informed decision-making in Planning – where we are, where we're going, and why it's important.**
- **Apply the early lessons of new start, Supplemental, and ongoing studies as we drive forward and revolutionize the execution of our program.**
- **Identify opportunities for engagement and facilitated decision-making across sub-CoPs, PCXs, and other CoPs.**

WORKSHOP AGENDA - TUESDAY

Tuesday, Nov 5

LOGISTICS

- No formal registration process; your MSC Planning Chiefs have identified participants – funding for attendance will be provided by your home office.
- Getting inside the building: Make sure you have your CAC card!
- Check-in options (outside Room 204):
 - Monday afternoon (exact time TBD)
 - Tuesday 730am-830am
- Plenary sessions will occur in Room 204.
- There's 90 minutes allotted for lunch each day. There's a cafeteria in the building as well as multiple restaurants and food trucks in walking distance.

WHAT IF I'M NOT GOING?

- Due to Corps conference exemption requirements, only a small percentage of the PCoP is able to attend.
- However, this workshop is intended to benefit the **whole** PCoP.
- Plenary sessions will be recorded and posted to SharePoint. Session materials will also be available following the workshop:
<https://cops.usace.army.mil/sites/PLAN/PCoPtrn/default.aspx>
- Certain sessions will be presented as PCoP webinars in FY20.
- Reach out to someone who is going and ask for a de-brief.

NEXT STEPS FOR ATTENDEES

- If you've been identified as a participant, make your travel arrangements now (Room block at Crowne Plaza through 25 October).
- Start thinking about which breakout sessions you'd like to attend and be on the lookout for the final agenda.
- Develop a plan to share knowledge and lessons learned with your home office.

QUESTIONS?

Type questions in the chat box.
We will answer as many
as time allows.

This webinar will be posted to the
Planning Community Toolbox:
